SAFETY AND RISK AWARENESS SURVEY

Exhibitor Name

Our site is an extension of your workplace and hence the same Occupational Health and Safety Legislation issues apply. Remember to inform your staff of the hazards and ways to avoid injury while exhibiting. You are responsible to ensure members of the public are not exposed to hazards on your site. The organiser reserves the right to inspect your site to ensure that you as an exhibitor comply with the Occupation Health and Safety regulations. List in the first column any specific hazards or risks your exhibition may cause in the topic areas. In the second column, list the actions you will undertake to minimise the risk of hazard.
